Pastor's Letter

April 27/28

The Road Ahead

Dear Parish Family,

This June, I will mark twelve years as pastor of Sacred Hearts. That is a significant number, as pastors everywhere in our church receive six-year appointments and often move to a new assignment after the second term is completed. I came to Sacred Hearts in 2012 after serving two terms as pastor of Our Lady of Lourdes in West Islip. I am also at an age when priests can choose to retire. When our personnel director asked what I would like to do, I told him I would like to continue as the pastor of Sacred Hearts, provided that I have the energy and health to do so. So, I was delighted to receive a call from Bishop Barres, informing me that he agreed with my request and asking if I would continue here at Sacred Hearts. I fell in love with Sacred Hearts very quickly, a feeling that grows only deeper each year. I feel very blessed to be able to continue my ministry here.

Looking back over these years, we have accomplished so much together. Our ministries have grown and taken on many new directions. Together we have survived a pandemic that tested many people's connection to their church. Now we have more parishioners who have joined the parish and more people attending Mass each week than ever before. We have made many repairs and restorations to our church and parish grounds. It is hard to remember what life was like before air conditioning in the church. There is so much to be grateful for. And though it is good to look back, the road ahead is always the most important to me. So here are a couple of ideas for these next years.

I hope we can do some serious work on our parish social ministry this summer. In a sense, parish social ministry is what happens after Mass. It is also described as the corporal works of mercy: to reach out to the needy, the homebound, the sick, the elderly, and all those who need the advocacy of our church. I especially want to work with Catholic Charities and Catholic Health Services to bring many new kinds of service to the people of the parish and our community.

I also want to begin a project this summer to restore the auditorium of our school building. Did you know that 2024 is the 100th anniversary of this building? Though it has many roles to play in our parish, one of the most important is that other than the church, it is the only place we have for large gatherings of people. We have increasingly larger gatherings, from longstanding programs like our Angel Tea to new programs such as our Lenten Soup Supper and Family Project Sundays. But the auditorium is in sad shape and needs a serious renewal to serve us well.

You will hear more about these projects soon, so no worries. I will not be sitting back and resting on memories. There is always so much more to do.

Sincerely yours in Christ,

Fr. Mike

SACRED HEARTS *Summer Camp*

Join us for the best kept secret in the Hamptons!

Our summer camp is jam-packed with faith-filled friendship and fun! Our mornings are centered around community specialists who visit each day to share their gifts and experiences to teach the children something exciting and new. Using this as inspiration, we design interdisciplinary lessons with a multi-sensory approach to create engaging activities based on the theme for the day to further reinforce what they have learned. Art, music, cooking, gardening, martial arts, nature walks, movement- we have it all right here at Sacred Hearts.

Your children will enjoy every moment!

Did you notice the lighted tree before both side altars in our church? The trees contain pictures of the children who are preparing for First Holy Communion this spring. They added their pictures on March 9 at our teaching mass. Passing on the faith is the most important thing we do here at Sacred Hearts. Please pray for our children and their families!

First Communion Retreat Day

Our first communicants have one extra class at the end of the year which we call a retreat day. This class is a review of all they have learned about receiving the sacrament, an opportunity to practice their prayers, and a special day they can spend with their classmates and families.

This year, at our retreat, we created a small prayer votive, and each child was gifted a special First Communion Holy Rosary. The LED candle is something the children can turn on at bedtime when they are about to say their evening prayers. This small light is a reminder that the light of Christ lives within their hearts and that God is always with them. Please pray for these children they receive the Eucharist on their First Holy Communion.

NATIONAL Eucharistic Pilgrimage

Wednesday, May 22nd to
Monday, May 27th

All the faithful of the Diocese of Rockville Centre are invited to participate in the Seton Route of the Eucharistic Pilgrimage Processions as they will pass through the New York area on the way from New Haven to Indianapolis. Check the following links for further details.

Throughout the National Eucharistic Revival, local communities are invited to gather in response to God's invitation for renewal, calling on the Holy Spirit to bring the flame of deeper love and appreciation for the gift of the Most Holy Eucharist.

In keeping with this vision, the National Eucharistic Pilgrimage will accompany Jesus from city to city, lighting hearts on fire along the way. Then, at the National Eucharistic Congress in July 2024, all these flames will blaze together. Please check the further details below.

In Sympathy: Maeve Shugrue

Maeve Shugrue passed away unexpectedly April 18th at the age of 65. Maeve's mass of Christian burial was held at Sacred Hearts on Wednesday, May 1st with Father Michael Vetrano presiding. Maeve was a devoted daughter, mother, sister, aunt, and friend. Our sympathies go out to Maeve's children: Ned, Charles and Justin and her daughter in law Laura. Our condolences also go out to Maeve's siblings, nieces, nephews and extended family and friends. We know that they will miss Maeve dearly but will live in their hearts forever.

Reflection On the Gospel

May 5, 2024

This is my commandment: love one another as I love you.

Here we go again. Are you kidding, Jesus? You want us to love one another as you love us? You suffered unbearable torture. You were crucified. You want us to love like that? You didn't even deserve it. You came to teach us, not to be killed because some didn't like what you had to say. That's what you want of us? And you showed no discrimination. You loved the occupiers, the Roman soldiers, as much as you loved your own people. You forgave those who executed you. You touched the untouchable, the diseased, the disabled, the prostitute, the poor, the ignorant. You loved those who disagreed with you, tried to trick you with their questions, denied you, betrayed you. Is that the kind of love you're asking of us—not asking, commanding of us?! You want us to love that other political party? You want us to love criminals? You want us to love those who are making war? You want us to love *everyone*?! Do you really think we can do it? Would you ask/command if you didn't think we could? Help us, Jesus. We certainly can't do it alone. It certainly would be a much better world if we all gave it a sincere try. Let it be. Amen!

In the poor and outcast we see Christ's face; by loving and helping the poor, we love and serve Christ.”

Your donation allows Catholic Charities to provide affordable safe housing to senior citizens, people with developmental disabilities and the poor and vulnerable.

Project Independence is a permanent housing program for people who are experiencing homelessness, provides rental subsidies, helps with locating appropriate housing, while also providing services to help people learn self-sufficiency and independence.

“I am proud to be a part of Project Independence. I now feel that I can stand on my own without relying on family. I feel like I am part of society, able to have a life to call my own. It's tough out there, especially on Long Island, but with their support, I do not feel ashamed. I wouldn't be where I am without Catholic Charities and Project Independence.”

- Client of Project Independence

“We revitalize the faith of those we serve by sharing the loving and caring we do with them. We are fortunate that we can live out the gospel by the way we serve others. The love we share with individuals is the love Jesus brings to one another.”
